

SCHOLARSHIP FUNDS

INVESTING IN STUDENTS

Establishing a Scholarship Fund with the Central Alabama Community Foundation, allows you to help make the dream of higher education a reality for students.

As a donor, you can create a scholarship to benefit students graduating from a particular school or attending a specified college or university. You can choose to designate a particular field of study or define other qualifying criteria.

Your fund is established according to your values and goals. This ensures that your giving priorities are met. Each year, our Vice President - Community Services coordinates the application process, recipient selection and payment process in its entirety.

An easy application form is used to simplify the application process for students and is available on our website. A selection committee will determine eligible recipients for your award.

You can add to your fund at anytime with a gift of cash, appreciated stock, real estate, mutual funds, or other assets.

Through its scholarship funds, Central Alabama Community Foundation awards over \$300,000 each year to students from Autauga, Coffee, Dale, Elmore, Geneva, Henry, Houston, Lowndes, Macon, Montgomery, and Pike counties. The return on investment in our students' continued education is significant in preparing them to be future leaders of our community.

CONSIDER A SCHOLARSHIP FUND IF YOU:

- ✓ **Want to honor or memorialize a loved one**
- ✓ **Want to support educational opportunities and create a legacy of generosity toward educational endeavors**
- ✓ **Seek simplicity and ease in your giving**
- ✓ **Want to be engaged by creating guidelines and eligibility for recipients**

Devi and Donovan Leonard wanted to create a legacy for their son Kyle, who passed away in 2014. They established the Kyle Leonard Memorial Scholarship within the Southeast Alabama Community Foundation (SACF) to memorialize their son while making an impact in students' lives.

“*Kyle had a tremendous positive impact on those around him. Helping them with school, pushing them harder on the football field and inspiring them to be better Christians. We feel awarding the scholarship to other students who exemplify these qualities will continue the legacy he had just begun.*”
