

COMMUNITY TRUST GRANT ENDOWMENT FUND

TO ADDRESS EVER-CHANGING NEEDS

The Community Trust Grant Endowment (CTGE) Fund, or unrestricted fund, began 34 years ago with a vision from local philanthropists to help the Central Alabama Community Foundation address a wide range of needs and pressing issues in our community.

When you make a donation to the CTGE Fund with the Central Alabama Community Foundation (CACF), your gift addresses a broad range of local needs — including future needs that often cannot be anticipated at the time your gift is made. We evaluate all aspects of community well-being: arts and culture, economic development, education, environment, health and human services, neighborhood revitalization, and more. The flexibility of your unrestricted gift allows your community foundation to respond to the community's most pressing needs, today and tomorrow.

Because you set no restrictions on the use of your gift, it enables our experienced program staff to do what they do best -- assess community needs and respond by awarding grants to the nonprofit organizations that undertake our community's most critical work. Unrestricted Funds help your community foundation to support long-term solutions; respond quickly to emergencies; and meet changing social, cultural, educational, or environmental needs in our local community.

You may give your gift immediately or through your will or other estate planning strategy.

CONSIDER DONATING TO THE CTGE FUND IF YOU:

- ✓ **Seek to support the changing needs in your community**
- ✓ **Believe in the research and community evaluation processes of the CTGE to determine the needs and effectiveness of nonprofit programs now and in the future**
- ✓ **Seek to make the greatest impact possible**

THE RICHARD ESTATE FUND

In 1987 long-time Montgomery citizen Fred A. Richard, Jr. and a group of civic leaders had a vision that would provide lasting support for their community. They started the Montgomery Area Community Foundation (now CACF) and in its first year, \$106,565 in grants were distributed to area charitable organizations. At the end of that inaugural year the MACF held \$616,000 in assets.

Richard had a history of philanthropic giving and interest in civic affairs, beginning with his service in WWII as a Lt. Colonel in the U.S. Army. Richard died in 2002, leaving CACF a bequest of over \$5,000,000 to provide grants made from the Richard Estate Fund. This unrestricted fund has been used to support dozens of nonprofits over the years.
